**SATURDAY'S PRIMARY.**  
List of the Offices and Those  
Who Want to Fill Them  
—Make up Your  
Ticket.  
Next Saturday will tell the tale,  
and at the same time sound the  
death knell, so to speak, of many  
bright hopes that for months have  
been centered on some big fat of-  
fice which the buoyant candidate  
surmised was within his grasp.  
Sunday morning he will awaken to  
the sad reality that his fondest  
hopes have decayed and that his  
time and cash have been scattered  
to the four winds, bringing no re-  
turns. Weary days and restless  
nights he has spent; the same can  
be said of those with whom he  
came in contact during his canvass.  
The lucky man will chuck him-  
self under the chin and say, "Well  
done, old boy; you've made a gal-  
lant fight and won. Come, let's  
take 'suthin'." Next Monday morn-  
ing he'll be the most independent  
man you'll meet. No, sir! He  
shakes hands with nobody. His  
hands are already raw and he  
wants 'em to get well. He passes  
by the little insignificant defeated  
candidate with head erect, and in-  
wardly says, "I knew you wouldn't  
be the choice of the people." But  
in a short time everything will  
gradually work back into the old  
channel and the primary on the  
24th will be a thing of the past.  
This office has printed 10,000  
tickets and it is reasonable to sup-  
pose somebody will be elected.  
Some of the following named  
candidates will be successful and  
some will not. This is all we  
know about the matter at present.  
For Congress—Hon. R. H. Nor-  
ton and Hon. Champ Clark.

**LET 'ER BOOM.**  
South Jefferson Street Property  
On the Move.  
Property all over Mexico is on  
the move at advanced figures, but  
South Jefferson street enjoyed a  
lively advance yesterday which,  
we learn, will be followed by sev-  
eral other good sales in a few days.  
L. C. Cove, of the famous, bought  
the corner just south of Bob  
Hisey's and will erect a \$3,000  
residence at once.  
Joe Weimer bought the Thomas  
Smith property, seventy feet on  
Jefferson street, just north of R. C.  
Paul's for \$1,000 and will rebuild  
this summer.  
Dr. W. L. Reed has also bought  
the vacant lot on which stands the  
large oak tree across the street from  
Weimer's property from Mr. Bizard  
for \$550. This is one of the best  
building sites on South Jefferson  
street and is a fine investment.  
Buy your lumber of La Crosse  
Lumber Co. at Leavenworth, Vandalia,  
Mexico, Auxvasse and Fulton.  
B. F. Purcell, of Charlton coun-  
ty, has purchased the grocery store  
of J. E. Blattner, and has installed  
R. S. Steele as manager of the store.  
Mr. Blattner has been very suc-  
cessful and retires with the best  
wishes of the people. We feel  
sure that the new proprietor will  
meet with deserved success, and  
know he could not have found a  
more suitable person as manager  
than Mr. Steele. His ability and  
thorough acquaintance with the  
people of the county ought to, and  
we believe will, insure success for  
the new firm.  
You are saving one profit by buy-  
ing of La Crosse Lumber Co.  
**One Oz. to One Pound.**  
To the Editor of the Ledger.  
Rush Hill, Mo., May 21.—  
Please ask some of your good but-  
ter makers how much salt they use  
to a pound of butter?  
**FARMER'S WIFE.**  
This is a question to which no  
definite answer can be given. It  
is simply a matter of taste; some  
like much salt and some only a  
small quantity. The common rule  
is to salt 1 oz. to 1 pound. Use  
nice fine table salt. In testing the  
butter capacity of cows the above  
rule is always adhered to.  
Don't forget the ice cream and  
strawberry festival in the base-  
ment of the Christian church Fri-  
day evening.

**THE POLITICAL COMMITTEE**  
Resolutions Adopted Condemn-  
ing the Action of Rush  
Hill Sub-Union F.  
& L. U.  
WHEREAS, It has become general-  
ly known that the Sub-Union of  
Rush Hill, Mo., by a resolution  
passed sometime since, created  
what is known as a political  
committee, whose duty it was to  
have a vote taken by all sub-unions  
in the county, on or before May 10th  
upon all candidates for county of-  
fices, the candidate receiving the  
highest vote to be voted for by all  
members of the F. & L. U. in the  
county at the Democratic primary  
May 24th.  
WHEREAS, We regard such action  
on the part of Rush Hill or any  
other sub-union as a dangerous  
proceeding and one calculated to  
destroy the usefulness of our order.  
Therefore, be it  
Resolved, by the Benton City  
Union, we most respectfully and  
earnestly protest against such pro-  
ceeding as being unwarranted by  
the constitution and by-laws of our  
order, and in direct conflict with  
the fundamental principles and ob-  
jects of the F. & L. U.  
Resolved, further, That copies of  
these resolutions be furnished the  
county papers for publication.  
Done by order of Benton City Sub-  
Union May 17, 1890.  
S. O. WRIGHT, President.  
GEO. REEVES, Secretary.  
Other people save money by buy-  
ing of La Crosse Lumber Co. Why  
should you not do the same?  
Mr. Urban Weimer, the popu-  
lar cigar manufacturer, was popu-  
larly married to Miss Sophie Pan-  
horst, of Edwardsville, Ill., yesterday  
afternoon at 4 o'clock. Rev. Mr.  
Schneible, of the M. E. Church,  
officiating. Mr. and Mrs. Weimer  
will return in a few days to Mex-  
ico, their future home. The LEDGER  
extends congratulations.

**TOO LUCKY TO LIVE.**  
Birt Ringo's Robber Drops the  
Swag.  
Mexico was again visited by  
burglars Monday about 1 o'clock.  
This time they raided the house of  
Birt Ringo, on East Promenade  
street. The thief must have been  
an old-timer, for he gained an en-  
trance by way of a front win-  
dow, unbarred the front door that  
had been securely fastened and  
opened it wide that his exit might  
be made in haste if necessary. He  
went through the house, securing  
the pocket-book of Mr. Ringo,  
which contained \$70, but in mak-  
ing his escape he either fell or was  
crawling, and lost the book under  
the rug and could not find it.  
Mr. Ringo fortunately found it  
this morning and he feels  
free to say that he did not put it  
there on retiring. Mr. Ringo  
thinks it was some sneak following  
up the circus. Nothing else was  
missing.  
**WILL HAVE A TICKET.**  
The Republican County Com-  
mittee Met Last Saturday.  
Mexico, Mo., May 17.—At a

vention of the Republican party of

lect delegates to the State and Con-  
gressional conventions, when the  
State and Congressional committees  
decide on the time and place for  
holding said conventions; and that  
an effort be made to have the State  
committee select Mexico as the  
place for holding the next Republi-

There has been a good deal of

**BAD FREIGHT WRECK.**  
Three Freight Trains Have Been  
End Collisions and Smash  
up Engines and Cars.  
This morning at 6 o'clock there  
was a fearful wreck on the C. & A.  
road, just west of the depot. A  
freight train drawn by engine No.  
167 was taking water while another  
freight train rounded the curve,  
west of town, and came rapidly  
down grade, crashing into the train  
drawn by engine No. 167, jamming  
the cars together and breaking al-  
most all the draw heads, besides  
smashing up the train to a consid-  
erable extent, while engine No.  
170 was wrecked badly. While in  
this position another freight round-  
ed the curve and plunged into the  
rear of No. 170, derailling one car  
and smashing up things generally.  
The trains were all heavily loaded  
with stock and grain. A large  
quantity of corn was strewn all  
along the road where the wreck  
happened. Some of the cars were  
loaded with dressed meat. The  
engineer of engine No. 170, after  
rounding the curve, saw the pre-  
dicament they were in and he re-  
versed his engine, but being so  
near his effort proved futile, where-  
upon he and his fireman both  
jumped to save their lives. There  
were two stockmen asleep in the  
caboose that was caught up by en-  
gine No. 170 and the strangest  
thing was, it never woke either  
party up, although the caboose  
was almost totally wrecked. Nei-  
ther one of the men was hurt in the  
least. The extent of the damage  
sustained is not known, but it is  
safe to say it will reach the thou-  
sands, as one of the engines is  
wrecked badly. The track is clear-  
ed up and the wreck will not inter-  
fere with traffic to any extent. When  
the trains rushed into each other  
the crash was heard all over town.
